We may place an authorized hold on your credit/debit card to cover the estimated rental charges plus up to USD 200.00 for any additional charges that may be incurred. These funds will not be available for your use. A valid driver's license and credit card must be presented. Debit cards issued under VISA, MasterCard and Discover logo which draw funds directly from the cardholder's account may be used at the outset of a rental to qualify when the following requirements are met; Hertz Airport locations will require proof of return airline flight to coincide with the rental and two valid forms of identification. Hertz Off Airport locations, if the renter is at least 25 years old, two valid forms of identification and one of the following: (a) provide a Corporate Discount Plan number or (b) proof of a return trip travel ticket to coincide with the rental (airline or cruise). In most cases a credit check will be performed for debit card customers to determine credit worthiness at the time of rental. If Hertz cannot secure credit approval and/or proper identification credentials are not supplied, Hertz will decline your rental.
