As such, each of the Consultant and the Approved Representative are not, and shall be deemed not to be an employee of the Company. Nothing in this Agreement shall be construed to create a relationship of employer and employee between, on the one hand, the Company, the Client or any of their agents, employees, independent contractors, or other representatives, and on the other hand, the Consultant or its Approved Representative, or their employees, agents, contractors or other representatives (the "**Personnel**"). 8. Without limiting in any way the foregoing, including but not limited to paragraph 7(e), if the Company is required by any governmental authority, at any time, to pay on the Consultant's or Approved Representative's behalf any assessments or GST or HST, the Consultant will, forthwith upon notice, reimburse the Company for such payment, together with interest and any penalties applicable to such assessments. The Consultant's obligations under this paragraph, without limiting any other rights or obligations in this Agreement will survive the termination of this Agreement and remain in effect thereafter.

9. The Parties agree that all work products, materials, documents and intellectual property (including without limitation all computer programming, software, inventions, designs, ideas, discoveries, works, creations, patents, copyrights and trade-marks) and all intellectual property rights or other rights relating thereto and developed by the Consultant or Approved Representative during the course of, in connection with, or as a result of, the performance of any Services shall be the sole and exclusive property of, and owned by the Client, without any obligation to pay royalties, fees or other charges of any kind or description. Any moral rights that may exist in any of the foregoing are expressly waived by the Consultant and the Approved Representative.

10. The Consultant shall at all times, both during and after the Term, make best efforts to ensure it, and its Personnel maintain in confidence and do not disclose or permit disclosure (via any action or inaction) of any confidential information including all information (whether or not reduced to writing), received or acquired by the Consultant and its Personnel during the term of this Agreement, or incidental to the property, business, undertakings, or affairs of the Company or the Client, with the exception only of information which is public or becomes public information through no action of the Consultant.

11. During the Term and for the six months following termination of this Agreement, the Consultant agrees not to solicit, or accept, employment or consulting work from the Client, either directly or indirectly, on its own account or on behalf of another, in respect of Services similar to those provided. The Consultant represents, warrants and covenants that its Personnel will similarly agree not to solicit, or accept, employment or consulting from the Client, either directly or indirectly, on its own account or on behalf of another, in respect of Services similar to those provided or contemplated.

PRIOR AGREEMENTS, TERMINATION AND CONTRACT VALIDITY

12. This Agreement replaces and supersedes any prior agreement between the Company and Consultant.

13. This Agreement is a periodic consultancy providing on-demand Services only for the Term in paragraph 1 with no guarantee of any minimum hours of Services. by the Client and fully funded by the Client, will be applied.
