FUEL POLICY

These conditions are not applicable in Canary Islands

Should I bring the vehicle back with a full tank of fuel?

Yes. The vehicle will normally be supplied with a full tank of fuel. You must return it to us with the same amount of fuel it had in it when you picked it up, usually a full tank as shown on the factory installed fuel gauge. We recommend you fill up as close to the return location as you can on the return date, and keep the receipt to show us. If you do not return the vehicle with a full tank and you can not show us a receipt for fuel we will charge you.

Fuel Options

I plan to travel more than 120 kilometres, and want peace of mind, do you have a fuel option for me?

Yes, with Fuel Up Front you pay for a full tank of fuel, based on the manufacturers stated fuel tank capacity for your vehicle plus our costs of refuelling the vehicle for you. Then you just return the vehicle with whatever's left in the tank (even if it is virtually empty) so long as the engine still runs.*

*The above is not applicable to the Canary Islands, where **Full to Full** will be available, though only at our facilities or via the booking centre by calling (+34) 902 135 331, at any point prior to the withdrawal of the vehicle. If you have chosen this option, you will receive the vehicle with a full fuel tank and will be obliged to return it to the agreed location with a full fuel tank.

How do I calculate the cost of Fuel Up Front?

Depending on where you are renting, we charge the average fuel price at the start of your rental period as stated on this EU fuel index:

http://ec.europa.eu/energy/observatory/oil/bulletin_en.htm However, you do not get a refund for any fuel you do not use.

Can I get Fuel up Front at any time?

No, if you want to take advantage of Fuel Up Front, you must ask for it during the booking process or when you pick up the vehicle.

I plan to travel less than 120 kilometres, do I still need to fill up?

Yes, often the fuel gauges still look **full** so we ask you to fill up the tank near to the return location and show us a copy of the receipt. If you do not have time to fill up the tank, or can not show us a receipt, we will apply EZ Fuel to cover our costs of refuelling the vehicle for you.*

*This is not applicable to the Canary Islands, where **Express Fuel** will be available. This option will be applied by default if the hire is contracted online and you will receive the vehicle with a full fuel tank. A non-refundable commission of €19.00 shall be paid, which will be charged separately from the cost of the vehicle hire.

How much is EZ Fuel?

Depending on where you are renting, you pay a fixed fee of between 12.00 € and 18.00 €.

What are my options if I do not return the vehicle full and have not bought Fuel up Front?

Pay on Return will apply if you have driven more than 120 kilometres and:

€ Do not buy Fuel Up Front

€ Do not return the vehicle with a full tank

How do I calculate the cost of Pay on Return?

You pay for fuel based on the factory installed fuel gauge rounded down to the nearest eighth (1/8) of a tank. This is based on the manufacturers stated fuel tank capacity.

We charge the average fuel price at the end of the rental period for Spain as stated on this EU fuel index:

http://ec.europa.eu/energy/observatory/oil/bulletin_en.htm. The price per litre will be stated on your rental agreement plus a processing fee of 27.59 €. This charge covers our cost of driving to the nearest petrol station at short notice, and potentially delaying the next customer's rental.

What if I rent a car in the Canary Islands?

You may choose between the following fuel services:

1. Express Service:

This option applies by default if you book online. The vehicle will be given with a full tank of fuel, allowing the direct return without refueling, nor waiting for fuel level verifications, both at the time of delivery or at the time of the return. Furthermore the value of the fuel left in the tank will be refunded at the time of its return. If do not want this fuel option, you will need to express it in our facilities when you come to pick up the vehicle.

The price of the **Express Service** is an extra and independent charge to the fee you paid for the rental of the vehicle. This extra charge is composed by:

The cost of fuel will be the average price per liter of fuel in the Canary Islands, i.e. the average of the cheapest and the most expensive prices offered by fuel stations in the Canary Islands at the time of hiring this service, according to the rates published by the Ministry of Industry, Energy and Tourism at <http://geoportal.mityc.es/hidrocarburos/eess/>.

Fuel costs will, therefore, be equivalent to the amount obtained after multiplying the average price per liter of fuel in the Canary Islands at the time of the rental by the number of liters of the fuel tank capacity of the vehicle.

The sum to be refunded upon return of the vehicle is calculated based on the same criteria: the result of multiplying the average price per liter of fuel in the Canary Islands, by the eights of a tank stated in the vehicle's indicator at the time of its return.

Express Fuel Service fee: 19.00 € including taxes. This charge will not be reimbursed.

Note that if you choose online booking, the day you collect the vehicle at our facilities, the payment of the fuel and the Express Fuel Service fee will be required.

2. Full to Full service.

You will be given the vehicle with a full tank of fuel and must return the vehicle at the agreed drop-off location with a full tank. It is also necessary to follow a **Check-out** procedure in order to verify the fuel tank is full at its return.

The customer will need to leave a deposit equivalent to the value of the average price of a liter of fuel in the Canaries as published on the website of the Ministry of Industry, Energy and Tourism (<http://geoportal.mityc.es/hidrocarburos/eess/>) by the number of liters which houses the fuel tank. This deposit will be reimbursed after returning the vehicle and once verified the correct fulfillment of the conditions of this offer.

If you do not comply with the obligation to return the vehicle with a full tank, the cost of the amount of fuel needed to top up the tank will be deducted from the deposit, plus a €40 penalty, which it is the cost that the lessor incurs in logistical and personnel costs. When the deposit left is less than the amount owed, you agree that the difference should be charged to the credit card given.

You can arrange the Full to Full Service exclusively at our facilities or by calling our Reservation Center 902 135 531 enabled by Lessor, at any time before collecting the vehicle from our Offices. This change is subject to a rate and condition modification.

All prices include taxes if these are applicable.

ID REQUIREMENTS

Do I need to bring proof of identification?

Yes, you must bring:

- The payment card that was used to make your booking. For some vehicles, two payment cards in your name will be required. One of these must be the payment card used to make your booking.
- Photo ID featuring a recognisable photo taken in the last 10 years. We will accept your passport or driving licence if it contains a photo, a national identity card or any other form of government issued identification.
- You may also need to bring proof of where you live. This could include a recent utility bill or bank statement. If your driving licence shows your address we will accept it as proof of your address.

Other requirements

Will I need to give a pre authorisation or pay a security deposit?

Yes, you must give us a pre authorisation on your payment card before we release the vehicle to you. A pre authorisation holds money in your account.

What do I need to do to give a pre authorisation or security deposit?

You'll need to give us a payment card in your own name that has enough money available on it.

How much is the pre authorisation or security deposit?

The amount of the pre authorisation or security deposit is either fixed or calculated based on:

- 1) The estimated vehicle rental price
- 2) Plus the estimated price of all optional extras you have requested
- 3) Plus around 120 EUR to allow for any fuel you may use unless you have purchased Fuel up Front
- 4) Less any amount we accept you have paid towards the rental when you booked, for example the cost of any accepted voucher

The calculation varies depending on the rental location.

MISCELLANEOUS INFORMATION

Can I let anyone else drive?

Yes, but only if we have approved them. You must not let anyone else drive the vehicle.

We charge a fee for every *Additional Driver* we allow to drive the vehicle. The price depends on the location you are renting from, but you can expect it to be between 5.00 Euro and 12.00 Euro per day, per driver.

If you rent the vehicle for more than 10 days, you will only be charged for a maximum of 10 days and get cover for the duration of your rental, up to 10 days. All additional drivers must meet our age, driving licence and ID requirements. If any additional driver is outside of our age restrictions, we will also charge a driver surcharge.

Do you offer a meet and greet service?

No, unfortunately we are unable to offer a **meet and greet** service at this time.

My rental has a mileage allowance. I have driven more than the allowance, how much will I pay for excess mileage?

Many of our vehicles are provided with unlimited mileage. If a mileage allowance applies, it will be stated on your rental agreement and in your booking confirmation email. If you go over the mileage allowance, the price depends on the vehicle and location but you can expect it to cost between 0.15 Euro and 0.30 Euro for every kilometre you have driven over the allowance. Your excess mileage charge will be stated on your rental agreement.

Can I smoke in the vehicle?

No, it is against the law to smoke in public places in Spain. The vehicle is considered a public place so you are not allowed to smoke in it. If we believe anyone has smoked in the vehicle during the rental period, a specialist cleaning charge will apply.

Are there any roads or zones where I need to pay a fee before I can enter?

Yes, certain areas have congestion charging zones meaning you need to pay a fee if you wish to drive in certain areas, on certain days and during certain times. In addition, there are toll roads and toll bridges which require you to pay a fee if you wish to use them. If you do not pay these charges before you enter such areas or use such roads or bridges, you will incur a fine.

We recommend you check the Internet to find out about any restricted areas before you travel. Websites such as www.urbanaccessregulations.eu (<http://www.urbanaccessregulations.eu>) provide useful information. If the rental location is in or near a restricted area, we will tell you about it when you pick up the vehicle. We are unable to tell you about any other restricted areas.

I have been caught speeding, and did not pay a parking charge, what will I have to pay?

You are responsible for all fines and charges issued as a result of you or your additional drivers using the vehicle. Fines and charges could include:

- All parking fines or charges
- Toll charges
- Towing charges
- Clamping costs
- Traffic fines or charges
- Speeding fines
- And any other charges or fines

If a fine or charge is sent to us because you have not paid a charge or complied with the law, we will take payment for:

- Our administration fee of £30 for each fine or charge issued in the United Kingdom to cover our costs of dealing with the fine or charge, or
- Our administration fee of between 24 Euro and 45 Euro for each fine or charge issued in any other country, which will be charged in the currency of the country where the fine occurred
- Plus the fine or charge if we have to pay it

I have left the interior of the vehicle very dirty and made it smell. Will I be charged to clean it?

Yes, if the interior of the vehicle is especially muddy, dirty, stained or smelly, and our standard cleaning procedure will not fix it, you will be charged a *Specialist Cleaning Charge* of 80.00 Euro

Roadside Assistance

What happens if I break down because of a mechanical failure?

All our vehicles are maintained to the manufacturers standards, and they are roadworthy when you pick them up so mechanical failure in our vehicles is rare. So long as you are using the vehicle in a country we have agreed to, we provide roadside assistance or recovery free of charge. You can only use our roadside assistance provider to help you. You will find their contact details inside the vehicle.

What happens if I break down because of a non-mechanical failure or in another country?

You must tell us if you break down or have an accident. If you need roadside assistance, we will arrange this for you but you will have to pay for it. You will also be charged for any costs we incur getting the vehicle back on the road in the country of rental. This may include, but is not limited to:

- Call out and recovery costs of around 120.00 Euro
- Repair costs
- Loss of use
- Repatriation costs
- An administration fee of 74 Euro and 78.65 Euro
- Any costs to take you, and/or any of your passengers, to another location.

What products do you have to protect me if I break down because of a non-mechanical problem?

Roadside Assistance Plus provides roadside assistance if you break down as a result of

- Flat batteries
- Flat tyres
- Keys locked in the vehicle
- Running out of fuel
- Using the wrong fuel for the vehicle
